WHICH ONE IS USED FOR WHAT?

HohCampus

- Course catalog (information about timings and venues, mode of teaching, etc.)
- Administration of your studies
- Setting up your personal schedule
- Registration for exams
- Registration and submission deadlines
- Control of your payments
- Certificate of enrollment
- Transcript of records

<https://hohcampus.verw.uni-hohenheim.de/qisserver/pages/cs/sys/portal/hisinoneStartPage.faces>

ILIAS

eLearning UNIVERSITY OF HOHENHEIM
Universität Hohenheim

- E-learning platform
- Communication platform between lecturers and students
- Registration for participation in a module
- Detailed information about course content and time table
- Access to learning material

https://ilias.uni-hohenheim.de/login.php?client_id=UHOH&lang=en

Webmail

- E-Mail account
- Default E-Mail address for ILIAS and for university offices
- ONLY use your Hohenheim email address when communicating within the university!

<https://webmail.uni-hohenheim.de/login.php>

INTRODUCTION: WHAT IS A MODULE? WHAT IS A COURSE?

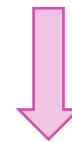

A module is a **teaching unit** and can consist of **several courses** (lectures, seminars, excursions, practical exercises, tutorials...).

Example:

(4902-440) Economics and Environmental Policy consists of 4 courses:

- 4902-441 Basic Microeconomics (1st half of the semester)
- 4902-442 Environmental Policy (2nd half of the semester)
- 4902-443 Exercises to Basic Microeconomics (1st half of the semester)
- 4902-444 Exercises to Environmental Policy (2nd half of the semester)

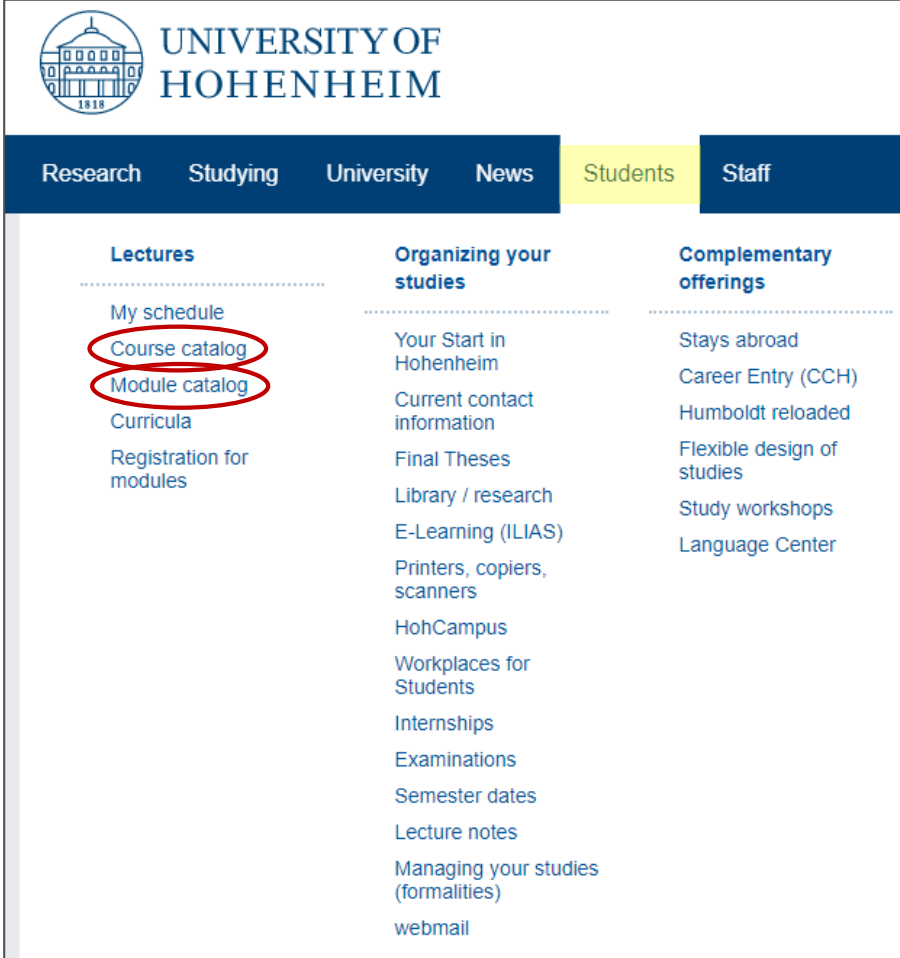

Module = teaching unit

**Courses =
sub-units of modules**

INTRODUCTION: DIFFERENCE BETWEEN „COURSE CATALOG“ AND „MODULE CATALOG“

- The **Module Catalog** shows the structure of the study programs, it lists the compulsory, semi-elective and elective modules and indicates in which semester they are supposed to be studied. Here you will not find information about the teaching in the current semester!
- The **Course Catalog** shows the courses offered in the respective semester, including information about the time and the venue of lectures, the teaching mode (online / in presence on campus) and the link to the ILIAS course.
- Both catalogs are publicly accessible without being enrolled!

INTRODUCTION:

MODULE CODE - MIRRORS THE FACULTY'S STRUCTURE

(4902-440) Economics and Environmental Policy

Each module and each course is assigned a specific code.

The first four digits represent the respective institute and the department (i.e. of the responsible person / course instructor).

The next three digits correlate to the type of module, as well as the courses.

- **4902** -440 = institute number (310 – 490 in the Faculty of Agriculture)
- 490**2** -440 = department within the institute (1 - 9 possible)
- 4902 -**440** = module designation:
 - 010 - 200 basic modules for Bachelor's students
 - 210 - 400 specialization study modules for Bachelor's students
 - 410 - 800 modules for Master's students**
 - 810 - 900 modules for PhD students
- 0000 -01**1** = course 1 of a module (1 - 9 courses possible)

Faculty of Agricultural
Sciences

...divided in 11
Institutes

...divided in 43
departments

INTRODUCTION: CHOOSING SEMI-ELECTIVE AND ELECTIVE MODULES

In most study programs you have to choose a few **elective** or **semi-elective** modules already in your first semester.

How to decide which modules to select?

- Check **your curriculum** for semi-elective or recommended elective modules offered in the first semester
- Check **other Master's program** in Hohenheim for interesting modules in the module catalog or curricula
- Read information about the modules in the **module catalog** and in the **course catalog** and note module name and module code
- Register for the selected modules in **ILIAS**

HOHCAMPUS: INFORMATION ABOUT MODULES OFFERED IN THE CURRENT SEMESTER - SEARCH FOR COURSES IN THE COURSE CATALOG...

The screenshot shows the HohCampus website interface. At the top, there is a navigation bar with the University of Hohenheim logo and name, a search menu, and the text 'Student University of Hohenheim'. Below this is a secondary navigation bar with links for 'Home', 'My Studies', 'Studies offered' (highlighted in yellow), 'Search for persons', 'Research', 'Organization', and 'User information'. The main content area is divided into several sections:

- Quicklinks**: A grid of colored buttons for various services. The 'Search for courses' button is highlighted in yellow. Other buttons include 'Study planner', 'View module structure, register for examination', 'Schedule', 'Coursework and examinations', 'Grades, study history', 'Student Services', 'Certifications, personal information, payments', and 'Show today's courses'.
- Information and help**: A section with a title and a list of links: 'Homepage Registrar's Office', 'Homepage Examinations Office', 'Information and FAQs about HohCampus', and 'In case of technical problems: hohcampus-support@uni-hohenheim.de'.
- Information on data processing for students**: A section with a title and two paragraphs of text explaining the university's data processing policies.
- My Messages**: A section with a notification icon and the text 'There are currently no notifications available.' and a link to 'My communication channels'.

Search for courses

Search words e.g. number, title, instructors ⓘ

Term Winter semester 2023 ▼

Search Show all possible search criteria ⓘ Help for search

If you want to know:

- What courses belong to a module?
- When and where will they be offered?
- The ILIAS Link
- Then use the „Search for courses“ option
- This also works without being enrolled

- Make sure to select the correct semester (Winter semester 2023)
- Enter the module name (or just a part of it) or the module code (by omitting the last digit! i.e. 4902-44)

For more search results you can also use

- The name of a lecturer
- Or just a key word e.g. „organic“

Information on data processing for students

The University of Hohenheim operates this portal to provide you with self-service functions for managing your studies.

The mandatory fields marked with an asterisk (*) ask for obligatory information without which the University's services cannot be provided.

The input fields not marked as mandatory ask for voluntary information which facilitate the processing. It is not necessary to enter voluntary information, and this does not affect your chances of success in registration, grading or similar processes. The specification of a college degree or a title is used for the proper formulation of the form of address. Entering a telephone number allows the University of Hohenheim to contact you quickly, i.e. in case incomplete information needs to be completed. The University will process your voluntary information based on your consent, which you give by entering information in the data fields. It is possible that this information may be processed further due to legal requirements, i.e. to perform the duties of the University in accordance with the State Higher Education Act.

CREATE YOUR PERSONAL SCHEDULE

The screenshot shows the user interface of the University of Hohenheim's online platform. The header includes the university logo and name, a search menu, and navigation links like 'My Studies', 'Studies offered', 'Search for persons', 'Organisation', and 'Bookmarks'. The breadcrumb trail indicates the user is in 'Home > My Studies > Study planner with module plan > Detail view'. The main content area is for 'Applied Econometrics (Exercises) | 4201-432 | Veranstaltung'. It features a 'Term' dropdown set to 'Wintersemester 2019/20' and several tabs: 'Basic data', 'Parallel Groups / Dates' (which is active), 'University course catalog', 'Modules / Courses of study', and 'Documents'. Below the tabs, there are options to 'Put on schedule', 'Export data as ICalendar (ics)', 'Showing single dates', and 'Open details'. A summary section shows 'Hours per week' as 2.0 and 'Responsible' as Prof. Dr. Christine Wieck. A table below provides details for the course schedule.

Rhythm	Weekday	From - To	Cancellation date	Start date - End date	Exp. Att.	Comment	Performing lecturers	Room
Weekly	Wed	8:00 AM - 10:00 AM		Oct 16, 2019 - Jan 29, 2020			● Prof. Dr. Christine Wieck	HS 14 (56 PC-Plätze)

→ Then switch to „Parallel Groups / Dates“
→ Then click on „Put on schedule“

CREATE YOUR PERSONAL SCHEDULE

The screenshot shows the 'My Studies' section of the University of Hohenheim's online schedule system. The header includes the university logo and name, a search menu, and navigation links for 'My Studies', 'Studies offered', 'Search for persons', 'Organisation', and 'Bookmarks'. The breadcrumb trail indicates the user is in 'Home > My Studies > Schedule'. The main content area is titled 'Timetable for' and includes 'View options' such as 'Winter semester 2022/23' and 'Select „lecture period view“' (with 'lecture period view' circled in red). Other options include 'Help', 'As PDF-Document', 'Export data as iCalendar (ics)', and 'More display options'. The date range is 'Oct 17, 2022 - Feb 4, 2023'. The timetable grid shows days of the week (Monday to Friday) and time slots from 08:00 to 14:00. A module '4201-432 Applied Econometrics (Übung)' is listed for Wednesday, 8:00 AM to 10:00 AM, weekly, from 16.10.2019 to 29.01.2020.

- Switch to „My Schedule“ and you will find the module added
- Select „lecture period view“
- **NOTE:** Adding a module to your schedule is NOT a registration for participation (that is done on ILIAS), NEITHER is it a registration for the exam for that module. It is solely for your own information

ADMINISTER YOUR STUDIES WITH HOHCAMPUS - STUDENT SERVICES

The screenshot shows the HohCampus - My Personal Portal interface. At the top, there is a navigation bar with the university logo, search menu, and user information. Below this is a main navigation menu with links for Home, My Studies, Studies offered, Search for persons, Research, Organization, and User information. The main content area is divided into several sections:

- Quicklinks**: A grid of six colored buttons. The 'Student Services' button (maroon) is highlighted with a yellow border. Other buttons include 'Study planner', 'Schedule', 'Search for courses', 'Coursework and examinations', and 'Show today's courses'.
- Information and help**: A section with a heading and a list of links: 'Homepage Registrar's Office', 'Homepage Examinations Office', and 'Information and FAQs about HohCampus'. It also includes contact information for technical problems.
- Information on data processing for students**: A section with a heading and two paragraphs of text explaining the university's data processing policies.
- My Messages**: A section with a heading and a notification box stating 'There are currently no notifications available.' Below it is a link for 'My communication channels'.

CONTACT INFORMATION

MAKE SURE YOUR POSTAL ADDRESS AND E-MAIL ADDRESS ARE CORRECT AND UP-TO-DATE

The screenshot shows the 'Student Services' portal for the University of Hohenheim. The main navigation bar includes 'My Studies', 'Studies offered', 'Search for persons', 'Organisation', 'User information', and 'Bookmarks'. The 'Student Services' section is active, with sub-tabs for 'Student Status', 'Picture', 'Contact Information', 'Bills and Payments', and 'Reports'. The 'Contact Information' tab is selected, displaying four contact cards:

- Application - Correspondence:** Fruwirthstr. 14, room 002, 70599 Stuttgart, Germany, xxx.xxx@uni-hohenheim.de (computing center), +49 15220 001236.

Information on data processing for students

The University of Hohenheim operates this portal to provide you with self-service functions for managing your studies.

The mandatory fields marked with an asterisk (*) ask for obligatory information without which the University's services cannot be provided.

The input fields not marked as mandatory ask for voluntary information which facilitate the processing. It is not necessary to enter voluntary information, and this does not affect your chances of success in registration, grading or similar processes. The specification of a college degree or a title is used for the proper formulation of the form of address. Entering a telephone number allows the University of Hohenheim to contact you quickly, i.e. in case incomplete information needs to be completed. The University will process your voluntary information based on your consent, which you give by entering information in the data fields. It is possible that this information may be processed further due to legal requirements, i.e. to perform the duties of the University in accordance with the State Higher Education Act.

ILIAS E-LEARNING PLATFORM

 eLearning UNIVERSITÄT HOHENHEIM
Universität Hohenheim

You can log in using your Hohenheim user account or an ILIAS databank account.
Please note: please use only your log in ID and not your email address (@uni-hohenheim.de)

Login to ILIAS

Username *

Password *

* Required

Here

- you register for participation in a module
- you will get access to all teaching materials
- lecturers will communicate with you

- **Registration started on 2 October 2023**

FIRST STEP: ACCEPT THE TERMS AND CONDITIONS!

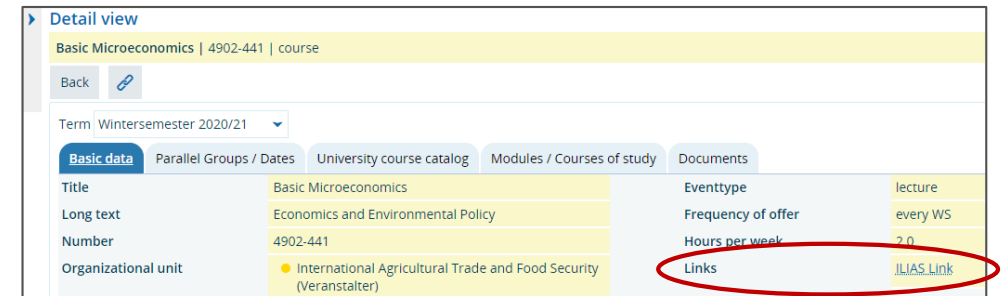

When logging in to ILIAS for the first time scroll down to the bottom

of the page and **check the box "Nutzungsbedingungen"** (terms and conditions).

Only after that you will be able to use all functionalities of ILIAS!

HOW TO FIND COURSES IN ILIAS?

→ Find the link in the course catalog as described before

The screenshot shows the 'Detail view' of a course in ILIAS. The course is 'Basic Microeconomics | 4902-441 | course'. The term is 'Wintersemester 2020/21'. The course is categorized under 'University course catalog'. The 'Basic data' tab is active, showing the following details:

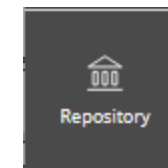

Title	Basic Microeconomics	Eventtype	lecture
Long text	Economics and Environmental Policy	Frequency of offer	every WS
Number	4902-441	Hours per week	2.0
Organizational unit	International Agricultural Trade and Food Security (Veranstalter)	Links	ILIAS Link

The 'Links' field is circled in red, highlighting the 'ILIAS Link'.

→ Use the search in ILIAS (tricky, does not always work)

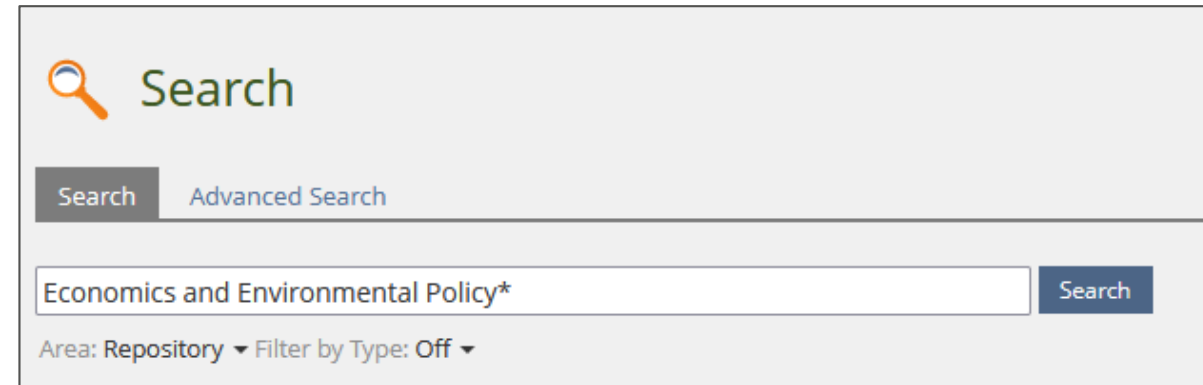

→ Follow the structure in the ILIAS repository and find it eventually 😊

TRICKS FOR THE SEARCH TOOL IN ILIAS

→ Enter the module name in quotation marks
„Economics and Environmental Policy“
or without quotation marks

The screenshot shows the ILIAS search interface. At the top left is a magnifying glass icon followed by the word "Search" in green. Below this are two tabs: "Search" (active) and "Advanced Search". A search input field contains the text "Economics and Environmental Policy*" and a blue "Search" button is to its right. Below the input field, there are two dropdown menus: "Area: Repository" and "Filter by Type: Off".

→ Enter the module code with or without brackets (4902-440) or 4902-440

→ If it doesn't work try to remove the * which has been added automatically to the search term and try again

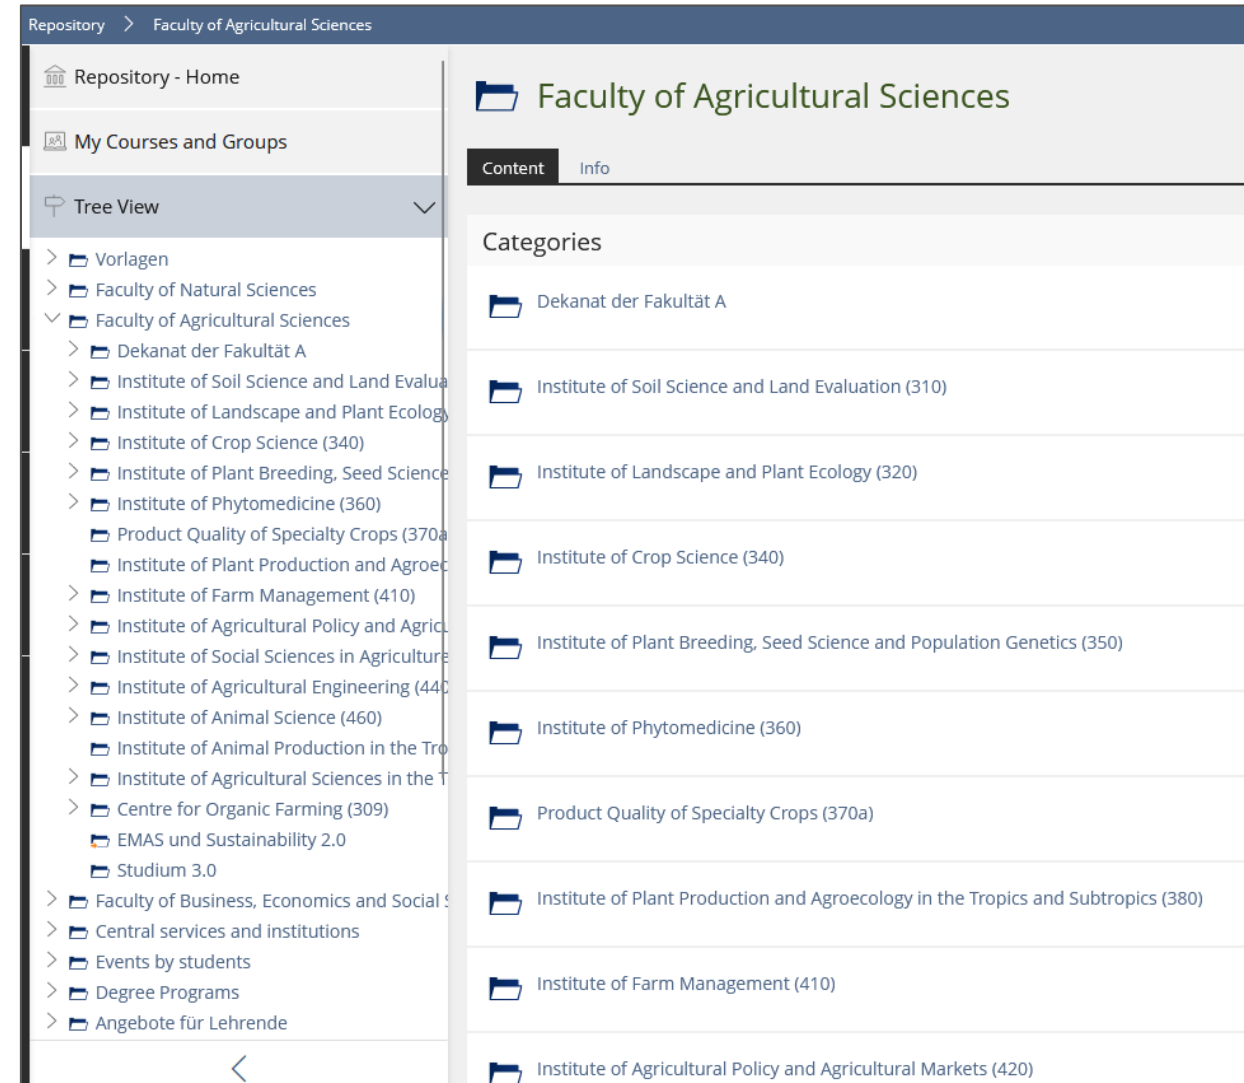

SEARCH IN THE ILIAS REPOSITORY IS THE SAFEST BET

→ Click on „**Repository**“ -> Tree View

→ Select „**Faculty of Agricultural Sciences**“

→ You get a list of all institutes of our faculty and the **institute numbers**

→ Now you need to know the **code** of your module, e.g. 4902-440 Economics and Environmental Policy

The screenshot displays the ILIAS Repository interface for the Faculty of Agricultural Sciences. The left sidebar shows a navigation menu with the following items: Repository - Home, My Courses and Groups, Tree View (selected), and a list of folders including Vorlagen, Faculty of Natural Sciences, Faculty of Agricultural Sciences (expanded), Dekanat der Fakultät A, and various institutes such as Institute of Soil Science and Land Evaluation, Institute of Landscape and Plant Ecology, Institute of Crop Science (340), Institute of Plant Breeding, Seed Science and Population Genetics (350), Institute of Phytomedicine (360), Product Quality of Specialty Crops (370a), Institute of Plant Production and Agroecology in the Tropics and Subtropics (380), Institute of Farm Management (410), Institute of Animal Science (460), Institute of Agricultural Sciences in the Tropics and Subtropics (470), Centre for Organic Farming (309), EMAS und Sustainability 2.0, Studium 3.0, Faculty of Business, Economics and Social Sciences, Central services and institutions, Events by students, Degree Programs, and Angebote für Lehrende. The main content area shows the Faculty of Agricultural Sciences tree view with a list of folders: Dekanat der Fakultät A, Institute of Soil Science and Land Evaluation (310), Institute of Landscape and Plant Ecology (320), Institute of Crop Science (340), Institute of Plant Breeding, Seed Science and Population Genetics (350), Institute of Phytomedicine (360), Product Quality of Specialty Crops (370a), Institute of Plant Production and Agroecology in the Tropics and Subtropics (380), Institute of Farm Management (410), and Institute of Agricultural Policy and Agricultural Markets (420). The right sidebar shows the 'Content' tab selected, with a 'Categories' section.

REPETITION: MODULE CODE

4902-440 „Economics and Environmental Policy“

The first four digits represent the respective institute and the department (of the responsible lecturer)

→ Institute of Agricultural Sciences in the Tropics (Hans-Ruthenberg-Institute) (490)
→ 2 stands for the second department 490b
International Agricultural Trade and Food Security (490b)

→ The next three digits correlate to the type of module, as well as the courses.

010 - 200 basic modules for Bachelor's students

210 - 400 specialization modules for Bachelor's students

410 - 800 modules for Master's students

810 - 900 modules for doctoral candidates

0000-011 = course 1 of a module (1 - 9 courses possible)
(This is not relevant here, but important to know, too)

Institute of Agricultural Sciences in the Tropics (Hans-Ruthenberg-Institute) (490)	
Content	Info
Categories	
	Rural Development Policy and Theory (490a)
	International Agricultural Trade and Food Security (490b)
	Sozialer und institutioneller Wandel in der landwirtschaftlichen Entwicklung (490c) Social and Institutional Change in Agricultural Development (490c)
	Ökonomik der Landnutzung in den Tropen und Subtropen (490d) Land Use Economics in the Tropics and Subtropics (490d)
	Plant Production in the Tropics and Subtropics (490e)
	Agroecology in the Tropics and Subtropics (490f) Agroecosystems are those ecosystems which have been established and manipulated by man to serve his own needs. Our research activities aim at designing diversified, sustaining, low-input and energy-efficient agricultural systems with a high but sustainable level of productivity.
	Crop Waterstress Management in the Tropics and Subtropics (490g)
	Animal Breeding and Husbandry in the Tropics and Subtropics (490h)
	Animal Nutrition and Rangeland Management in the Tropics and Subtropics (490i)

SEARCH IN THE ILIAS REPOSITORY

→ Click on International Agricultural Trade and Food Security (490b).

→ Now you see all the ILIAS courses offered by that department, including 4902-440 „Economics and Environmental Policy“

→ Click on the course and a “join” button will appear.

 **Economics and Environmental Policy WS 2022-2023**
'Module 4902-440 incl. Basic Microeconomics 4902-441, and Environmental Policy 4902-442: (Registration starts on Monday, October 3 at 8:00 a.m.)
Registration Begin: 03. Oct 2022, 08:00
Period of Event: 01. Oct 2022 - 31. Mar 2023
Availability: 26. Sep 2022, 00:00 - 15. Apr 2023, 23:55

 International Agricultural Trade and Food Security (490b)

Content Info

Welcome to the ILIAS homepage of the division of International Agricultural Trade and Food Security.
On this platform we provide materials, training exam questions and other information for the classes of the division.

 Good success and all the best for a good virtual cooperation.

ADD COURSES TO YOUR DASHBOARD

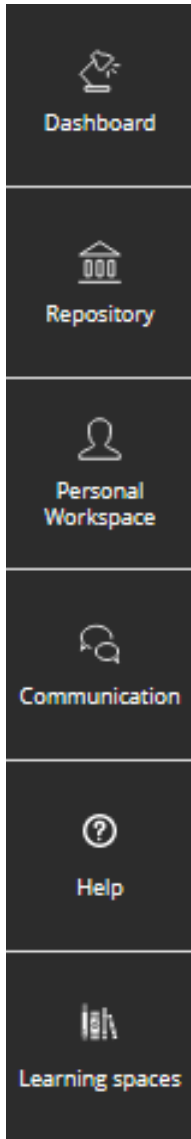

Once you have joined a course you can add it to your dashboard, to find it easily later on.

A screenshot of a course page for 'Economics and Environmental Policy WS 2021-2022'. The page includes a navigation bar with tabs for 'Content', 'Info', 'Members', 'Learning Progress', and 'Unsubscribe from Course'. A green banner states 'You have joined the course'. Below this, a welcome message reads 'Welcome to the module Economic and Environmental Policy (4902 - 440)'. In the top right corner, an 'Actions' dropdown menu is open, showing options: 'Open as webfolder', 'Add to Favourites' (circled in red), 'Download Multiple Objects', and 'Notes'. A calendar widget is visible in the bottom right corner, showing 'Oct 2021'.

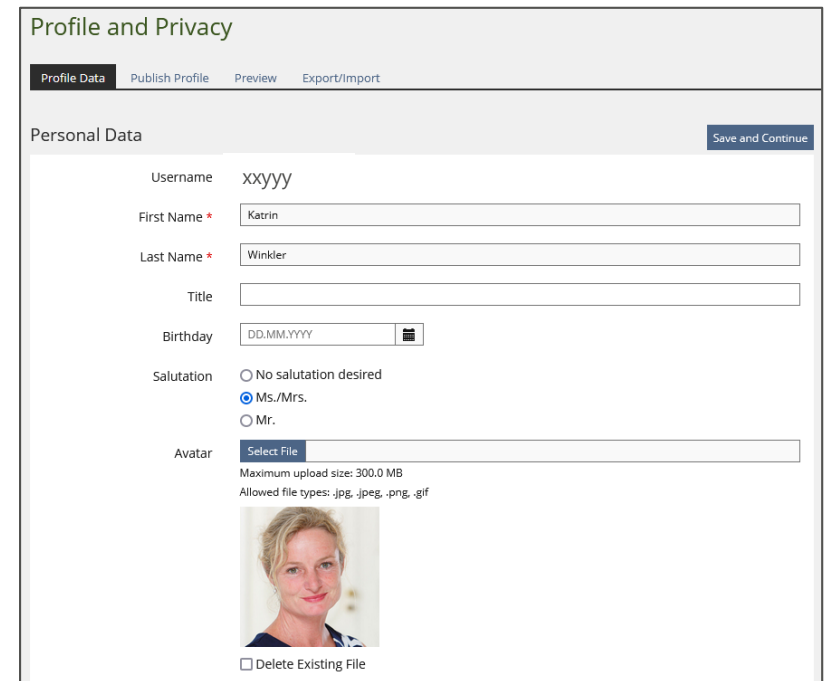

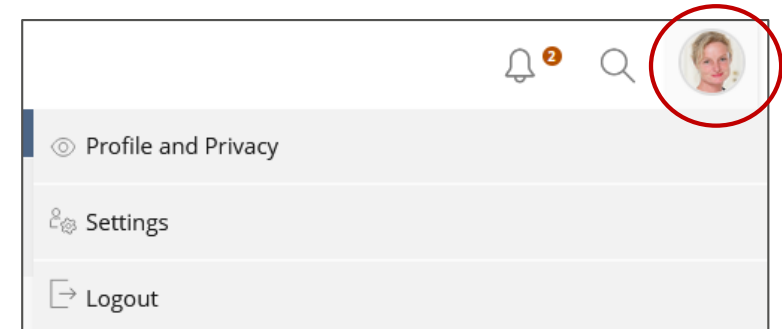

Click on "Actions" and then "Add to Favourites"

IMPORTANT SETTINGS

Profile and Privacy (click on your picture or where your picture should be):

A picture is often helpful, if you want to be recognized by teachers or class mates, but it is not mandatory.

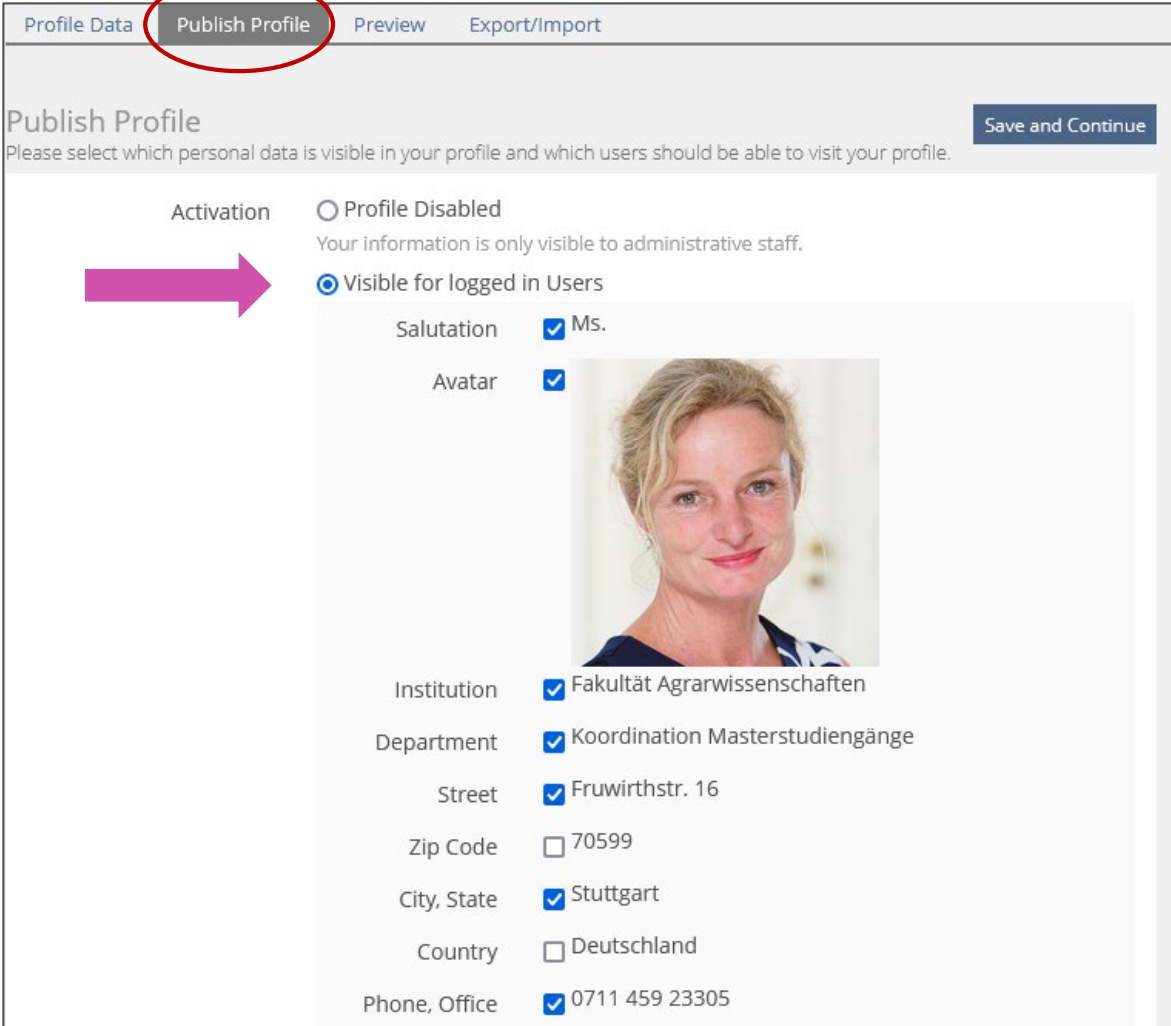

IMPORTANT SETTINGS

Publish Profile:

If you want your name, picture and other selected data to be visible for lecturers and class mates you have to select "Visible for logged in Users" and then select what information should be visible besides your name.

If you do not activate the visibility of your profile not even your name will be published.
This is often a problem for your teachers if they want to communicate with you.

Don't forget to save your selection!

Profile Data **Publish Profile** Preview Export/Import

Publish Profile [Save and Continue](#)

IMPORTANT SETTINGS

If you click on your profile picture you will get to the settings (in German "Einstellungen")

In "General Settings" you can choose your preferred language (in German "Sprache")

In "Mail Settings" the setting for incoming messages is set to "local and forwarding" by default and cannot be changed.

Messages in ILIAS will be visible in ILIAS and will also automatically be forwarded to your **Webmail-Account**.

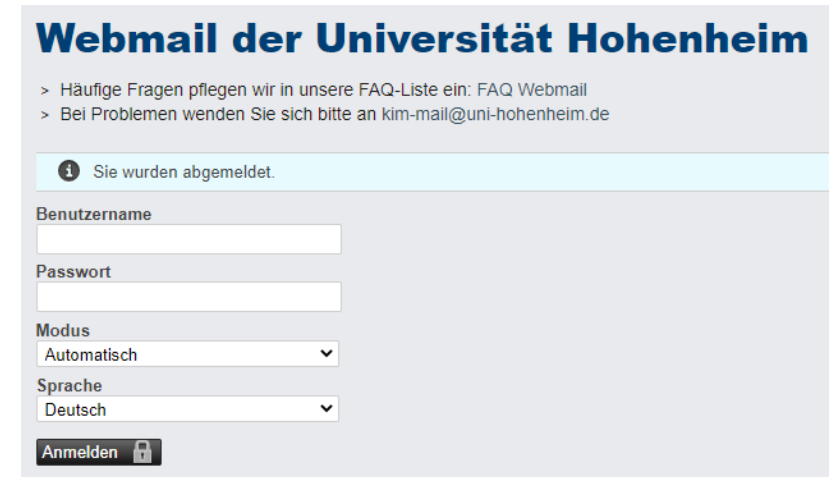

WEBMAIL

<https://webmail.uni-hohenheim.de/login.php>

Your Hohenheim e-mail account

It is the **default e-mail address for ILIAS** and for messages from university's offices (exams office, registrar's office...) and you might miss important information if you don't check it.

For all contacts within the university, only your university email address (@uni-hohenheim.de) is to be used for correspondence.

The screenshot shows the login interface for 'Webmail der Universität Hohenheim'. At the top, there are two links: '> Häufige Fragen pflegen wir in unsere FAQ-Liste ein: FAQ Webmail' and '> Bei Problemen wenden Sie sich bitte an kim-mail@uni-hohenheim.de'. Below this is a light blue notification bar with an information icon and the text 'Sie wurden abgemeldet.'. The main form contains the following fields: 'Benutzername' (username) with an empty text input, 'Passwort' (password) with an empty text input, 'Modus' (mode) with a dropdown menu set to 'Automatisch', and 'Sprache' (language) with a dropdown menu set to 'Deutsch'. At the bottom of the form is a dark button labeled 'Anmelden' with a lock icon.

WEBMAIL

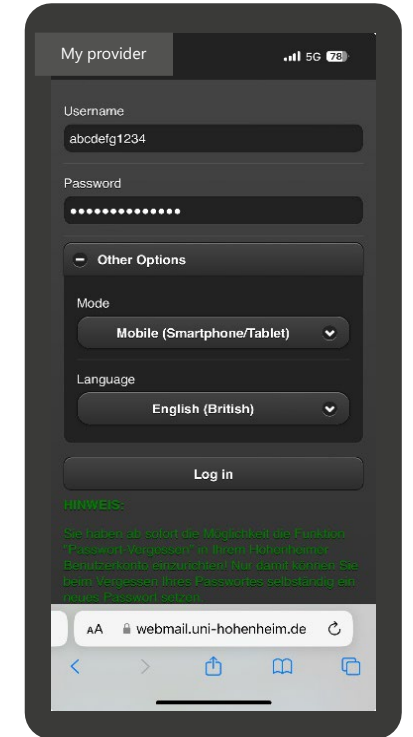

- Requirement: Hohenheim user account [Username | Password]
- Our recommendation and easiest access without installation:  Webmail: <https://webmail.uni-hohenheim.de>
- Note: The mail function in ILIAS can only be used as means of communication within ILIAS.
- All current email programs are supported. There are [step-by-step instructions](#)  for several email programs.
- Not allowed are email collection services (e.g. Web.de) and apps (e.g. Microsoft Outlook App) where username and password are stored or processed by third parties.
